Association "Public support for THTI"

perform the functions of a school board
to Vocational School "Prof. dr. Asen Zlatarov" –
Vidin

The Association contributes to the creation of good conditions in school; support initiatives aimed at developing civil education of young people. Participate as a partner or initiated the implementation of various projects in the field of vocational education and training.

The school was established in 1963 as the Technical School of Industrial Chemistry and Chemical Technology. Training of personnel for the chemical industry in northwestern Bulgaria.

❖ *In 1985 the School of Industrial Chemistry was named after the famous Bulgarian chemist, scientist and publicist Professor Asen Zlatarov.*

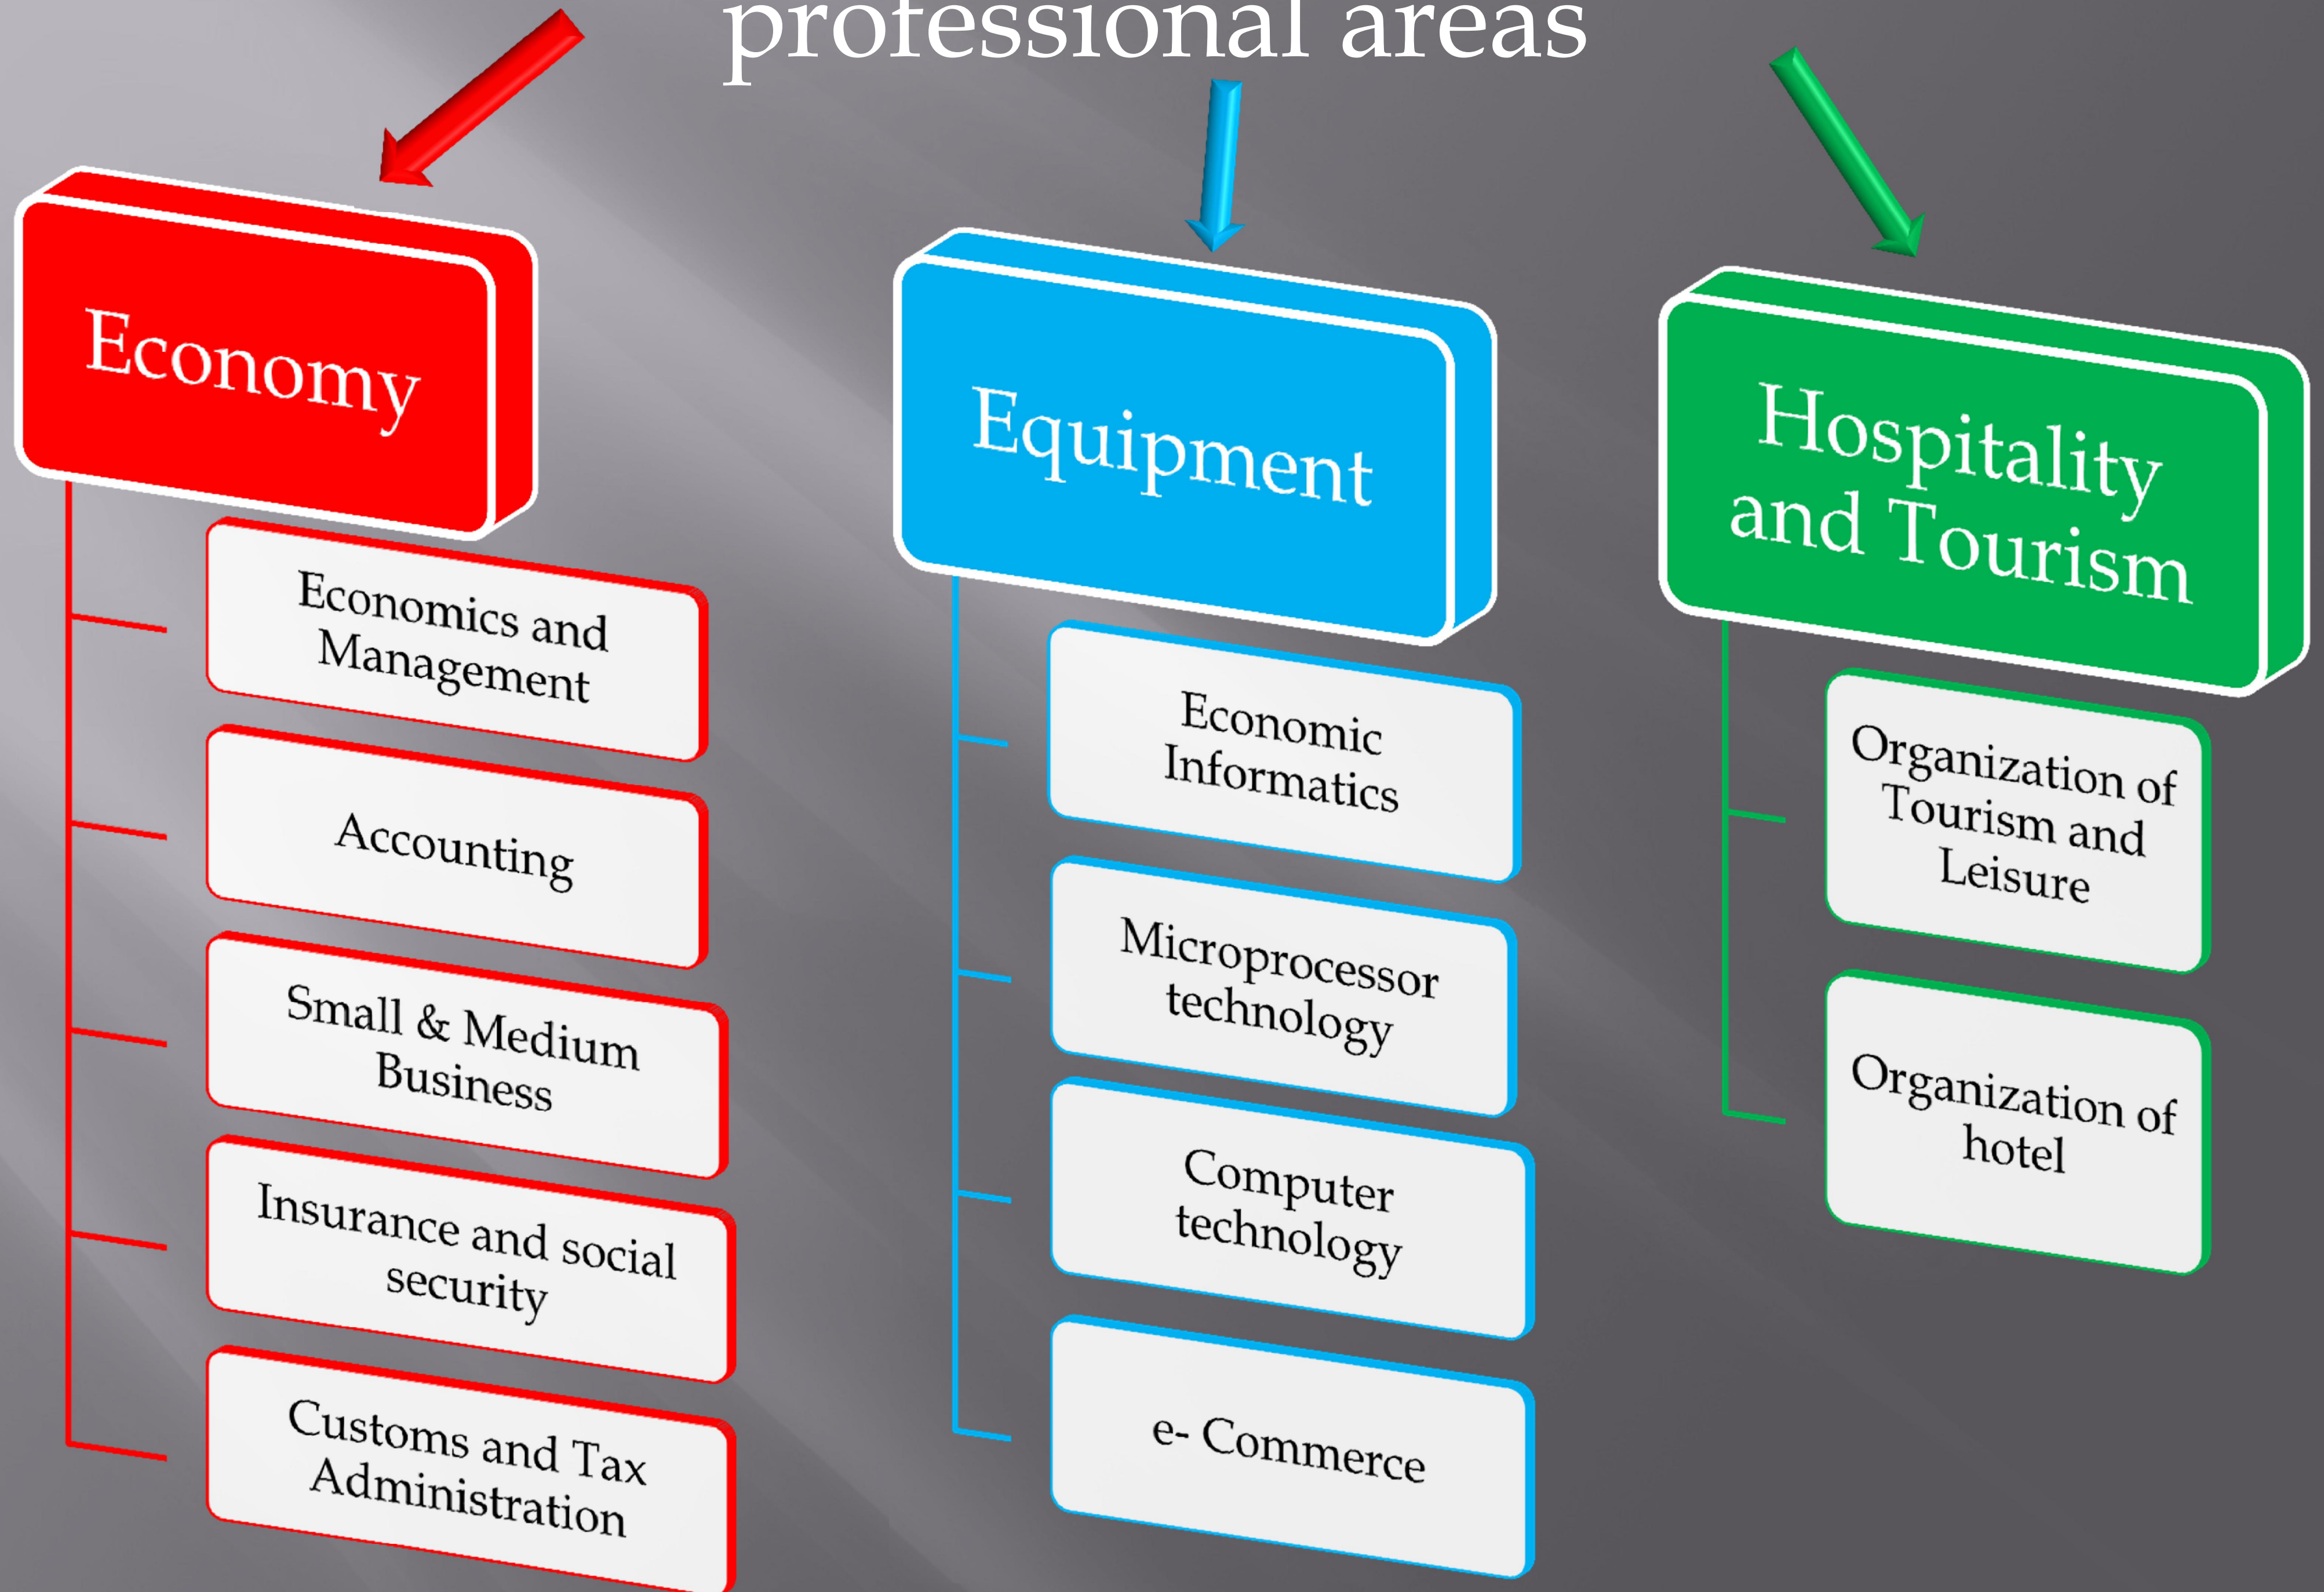

❖ *In 1994. - accepted the first students specialty “Accounting”, “Banking, Insurance and Social Security”, “Business Administration”.*

❖ *In 2001 accepted the first students specialty „Organization of hotel industry”, in 2007 – specialty “Organization of Tourism and Leisure”*

Today the Vocational School “Prof. dr. Asen Zlatarov” is the largest vocational school in Vidin district with more than 650 students in 27 classes (grades 8-12, ages 14 -19 years) and 70 teachers. We prepare students for more than 12 professions in the field of economy, tourism and electronics.

In our school students are taught in three professional areas

We pay particular attention to practical training.

FOR ECONOMICS SPECIALITY:
student company - training center, training office, students bank and 5 rooms
for presentations.

FOR TECHNICALS SPECIALITY:

5 computer labs with about 70 jobs. The computers are on a network and access the Internet. Laboratory of computer systems and networks - It has everything needed for practice of processors, memory and motherboard.

Cabinet of training and laboratory practice - with equipment and tools necessary for practice in electrical and electronic measurements, production and testing of printed electronic circuits and devices.

FOR HOSPITALITY AND TOURISM:

Educational and training restaurant, kitchen, reception and hotel room, tourist information center - Here students training on cooking practice, serving and bartending, hospitality, additional activities in tourism, tourist agency.

THE SCHOOL OFFERS A VARIETY
OF SPORTS - FOOTBALL AND
VOLLEYBALL COURSE, DANCE
HALL, TABLE TENNIS, FITNESS
CENTER, MINI FOOTBALL,
TENNIS COURT.

Our students take first places in national and international competitions

We have been working on projects for nine years funded by the EU Programme "Lifelong Learning" branch programme "Leonardo da Vinci". Each year an average of 20 students conducted their practice in our partners from Britain, Germany, Italy, Portugal, Spain and Greece.

From 3 years ago we have also been working on projects “Comenius” and “Leonardo da Vinci” - Multilateral Partnerships
